ChippewaFederation2014 404cLetter.pdf

Hi Darrel,

I've not heard back regarding the status of the letter. With me out on training I'm bit out of the loop. Attached is a draft, but please don't circulate widely as I'm not sure if anything changed.

best, cyrus

Hi Cyrus: any chance there is a preview available of the 404 letter? Any idea the signed final should get here?

thanks.....Darrel
